Introduction

This site allows you to purchase books online. All that you have to do is add selected books to shopping cart and finalize the order. Books selected by you will be delivered to your door steps. You can pay only after books are delivered.

The following are the required steps :

- Login if already registered. Otherwise register as a user. Registration is free.
- Browse books and add books to shopping cart. Browsing is allowed to everyone, but only registred users can place order.
- You can modify shopping cart at your will
- Finalize the order.
- Pay for books when they are deliverd to your door steps.
